### MISUNDERSTANDING CLEARED UP

A misunderstanding relative to the canteen work of the Y. M. C. A. has been cleared up by the War Department, which issued the following:

"Matter of prices asked by Young Men's Christian Association for its articles sold in canteens overseas already investigated by war department and condition is being remedied. The Young Men's Christian Association was originally asked by General Pershing to run the canteens for the army on a cost basis. In order to do this it had to reckon in price fixing such overhead charges as transportation charges and marine insurance so that prices were much higher than in this country.

"The Young Men's Christian Association made no profits, but lost thousands of dollars. Arrangements now made will enable them to obtain supplies from sources that will reduce overhead charges and keep prices down."

### UNITED WAR WORK OFFICERS

State committee officers for the United War Work Campaign are: W. M. Ladd, chairman; O. W. Davidson, director; John W. Kelley, and Mrs. William H. Marshall, associates; director publicity, Ira F. Powers; speakers and entertainers' bureau, J. W. Day; students, John H. Rudd; victory boys' and girls' feature, Walter A. Goss.

Chairmen of the seven allied organizations:

### Huts for Nurses

Huts for nurses are maintained by the Y. W. C. A. at the base hospitals in France. To extend this work a portion of the United War Work funds to be raised in November will be used.

### PERSHING'S "DO WITHOUT IT" CLUBS

Organization of "do without it" clubs in America, as a means of aiding the United War Work campaign, which opens November 11, was recommended by James F. Pershing, brother of General Pershing, in an address delivered recently in Portland in behalf of the drive. He urged the American people to make some sacrifice in order to help "carry us" the great undertaking that is to furnish money for war work in the battle zone during the coming year. A great percentage of American people, he said, do not know from any sacrifices made thus far, that a war is in progress. Substitution of activities because of peace proposals, he declared, should not be tolerated, and asked people of the country to throw their whole energy and co-operation behind this latest drive for securing funds for the seven big war working agencies consolidated in the campaign.

### NOTICE OF ANNUAL MEETING

The annual election of the Ontario Chapter Red Cross will be held at the City Hall on October 26 at 8 p. m. Everyone interested should make it an appointment to be there. Representatives from each of the auxiliaries are expected to be present. After the election of officers plans for the coming year will be made.

(Signed) Mrs. E. M. Greig, Sect.

### PERSHING WARNS OF GERMAN PUBLICITY

Germany's efforts to involve the United States and her Allies into a consideration of peace terms and an armistice did not impress James F. Pershing, brother of General Pershing, as being sincere and designed to give the world what it is praying for. Mr. Pershing, who was in Oregon recently in the interest of the United War Work drive, which opens November 11, cautioned the American people against the too-common tendency to become apathetic under the idea that peace and the cessation of hostilities are at hand.

"When heaven is ready to negotiate with hell," he declared, "then will America be ready to make peace with Germany." He told of the great work being done in Europe by the Y. M. C. A., Knights of Columbus, Salvation Army and other agencies, and called on Americans to respond liberally in

supporting the campaign about to open for raising money with which to carry on these activities.

### Best Big Sisters

The Y. W. C. A. is known as "The Best Big Sister in the World." Of the \$170,500,000 to be raised in the United War Work Campaign \$15,000,000 will go to the work of this organization.

Hospitality to the fighting man and to his visiting friends, is the motto of the War Community Service, a mighty necessary thing.

Here's your chance—give to the Y. M. Y. W. K. of C., Salvation Army, Jewish Welfare Board, Library Association and the War Community Service and you help make a soldier, sailor or marine happier and better.

## UNITED WAR FUND SURE TO BE NEEDED

Even End of Hostilities Would  
Not Change This.

Though the war should cease immediately it is said that every cent of the \$170,500,000 sought in the United War Work campaign in the United States, for the seven approved organizations ministering to the American fighters, will be needed just the same.

This is the word of leaders of the fund-raising campaign and their explanation is easily comprehended. In the first place, it has been officially estimated that 18 months to two years must elapse before all the American boys can be returned from foreign

soil. There are the men of many other countries to be transported home with the war ends, so the number of beds for use of the Yankees will be limited. Then there is also the fact that thousands must remain so long as the great properties and stores of the United States have not been disposed of or returned.

Immediate cessation of war activities in Europe would plainly create grave problems connected with the care of the men. Remove the great motive which actuates every man at the front today and throw him into dull inactivity, with nothing much to do but await his chance to return to home and loved ones, and the work of keeping him cheerful increases in magnitude. The soldier welfare organizations foresee all phases of this grave contingency. They foresee how great would be the need for reading matter, entertainments, amusements, recreation and the cheery personal touch.
